Confirmation Guidelines 2018-2019

- Class is held from October to May. Class is on the first Sunday of the month from 7:00-8:30pm for freshmen and sophomores, except in February when we will have our Family Lecture Series on Sundays. Family attendance at 2 lectures is required.
- Attendance is Mandatory. On the second missed class you will be asked to start again next year.
- Service Hours. 24 hours or one day of you life will be given in service hours over the 2 year program. A minimum of 10 hours must be completed the first year to be eligible to register for the second year of classes.
- Your child/you will be treated with respect. There will be a no tolerance of disrespect towards teachers or peers.
- Mass attendance is mandatory. A mass log must be signed EVERY week. If the signature is from a visiting parish, a bulletin must be attached. Mass logs MUST be brought to class each month. No exceptions.
- We understand that lives are busy and a conflict may occur. Notifying us immediately is the best way to get a resolution. We are unable to make adjustments the week of an event.

I understand the requirements as presented to me by St. Joseph Parish and wish to continue my Confirmation preparation.
